

South Carolina Mission Week

with Salt 'n Light Youth Ministry, Inc.

June 18-23, 2017

Thank you for joining our 2017 South Carolina Mission team. We pray that your group will benefit from this special experience of serving, giving, and receiving! This mission may change your life!

Our work will include various light construction projects, such as repairing porches and floors, building handicap ramps, painting, landscape clean-up, as well as outreach to children, youth and adults. We continue to expand our emphasis to the communities on the border of North and South Carolina and will be partnering with the Restoring Hope Center, Wallace Family Life Center, and numerous individuals across Marlboro County. We will be offering youth day camps, evening community gatherings, meals, etc. in addition to our work projects

The following is pertinent and practical information about our mission. Please copy and give to each member of your group along with a copy of the medical form and liability release form.

- **Cost/Deadlines:** The cost for this mission is \$325/person which includes lodging, meals (except during travel), and materials/supplies for our work projects. A non-refundable deposit of \$100/person is due by January 15th, or at the time of registration. The remainder of the registration fee is due by May 31st. Your group is responsible for providing transportation and gas expenses.
- **Requirement for Construction-Skilled Adults:** Because the majority of our work projects require basic construction knowledge and skill, each group must have 1 adult for every 7 youth on your team that is knowledgeable about construction. This will ensure our ability to be more effective in completing the needed projects. We also need adults that can oversee painting, clean-up, children's ministry, etc.
- **Lodging:** We will be staying at the Bruton's Fork Baptist Church. In case of emergency, the number there is 843-479-0503. There are three enclosed rooms for girls and a large sleeping area for guys in an annex building, which also has separate showers for guys and girls. Girls will also use the Sunday School rooms in the church building if needed. Air mattresses or sleeping pads/cots are highly recommended for everyone.
- **Things to Bring:** Work clothes, closed toe shoes for work sites, work gloves, casual clothing for evening gatherings, pillow, sleeping bag/blanket, towel, personal toiletries, Bible, notebook, sun screen, bug spray, tools (contact us if you have questions), money for meals during travel and snacks during the week, games or cards for afternoon free time, bathing suit (in the event we are able to go swimming). *Please be sure to only pack modest/appropriate attire for work sites, rec time, and sleeping. Your leaders or a member of the SnL team will kindly ask you to change if we feel your attire is in any way a distraction to others (or you) as we seek to connect with Jesus and serve the community.* SnL t-shirts will be available for purchase. We will also be taking an offering at the end of the week that will be given to help families in need - this is a free-will offering, not an obligation.
