

South Carolina Mission Week

with Salt 'n Light Youth Ministry, Inc.

June 23-28, 2019

Looking for a summer mission experience?

Let us tell you about our South Carolina Mission Week!

Short-term missions,
Long-term commitment

We've been doing ministry in and around McColl, South Carolina for over 25 years. We deeply treasure the relationships we've formed with individuals, families, churches, and organizations in the communities of North and South Carolina.

We believe those who live and serve in these communities year-round know best what the needs are and how to meet them, and our goal is to draw alongside these wonderful people in the work they do.

God's presence in connecting us with the right people at the right time has been incredible, and there are countless stories of His provision during these trips!

\$350 per person

Ages 14 and up
(completed 8th grade)

1 to 6

Required skilled adult leader to student ratio

Projects may include:

- Porch repair/replace
- Flooring
- Painting
- Yard work
- Cleaning
- Youth/Children's Ministry
- Community outreach

About the community...

The communities in which we serve are dealing with issues of poverty, drug abuse and addiction, high unemployment rates, disabilities, and natural disasters. We meet people who lack the education to best help themselves and their families, and we meet people who lack the hope to keep striving.

We also meet people with incredible faith and trust in Jesus, despite circumstances. We encounter people who are thankful for every small blessing, and who will pray for you on the spot if you have a need. Many in the community are hurting, but there is no shortage of Southern Hospitality!

Please see the next page for more details!

Additional Information:

- **Cost/Deadlines:** The cost for this mission is \$350/person which includes lodging, meals (except during travel), and materials/supplies for our work projects. If you register before January 15, a non-refundable deposit of \$25/person is due at the time of registration, followed by an additional \$100/person due by January 15. If you register after January 15, \$125/person is due at the time of registration. In both cases, the remainder of the registration fee is due by May 1st.
- **Requirement for Construction-Skilled Adults:** Because the majority of our work projects require basic construction knowledge and skill, each group must have 1 adult for every 6 youth on your team that is knowledgeable about construction. This will ensure our ability to be more effective in completing the needed projects. We also need adults that can oversee painting, clean-up, children's ministry, etc. Each crew will also have a Salt 'n Light team member to help lead the group.
- **Lodging:** We will be staying at Bruton's Fork Baptist Church. In case of emergency, the number there is 843-479-0503. There are three enclosed rooms for girls and a large sleeping area for guys in an annex building, which also has separate showers for guys and girls. Girls will also use the Sunday School rooms in the church building if needed. Air mattresses or sleeping pads/cots are highly recommended for everyone.
- **Transportation:** Groups are responsible for their own transportation and gas expenses to and from the mission. In addition, we depend on leaders to help drive crews to and from worksites, as well as to and from any activities away from the church throughout the week. Each group must have enough vehicles available for use throughout the week to transport the number of students attending from your group. Having multiple vehicles instead of one large bus/van is encouraged.
- **Church support:** If your congregation is interested in ways to partner with your mission group, first give them opportunities to support your students financially! Many groups do this through fundraisers or support letters. If they'd like to partner further, we greatly appreciate any funds collected to help cover our meals. One dinner for the entire mission group costs between \$300-\$400, and any finances donated for meals gives us the opportunity to extend our mission projects in the community.
- **Things to Bring:**
 - Work clothes, closed-toe shoes, work gloves
 - Casual clothing for evening gatherings
 - Pillow, sleeping bag/blanket, air mattress/cot
 - Towel, personal toiletries
 - Bible, notebook, pen
 - Sun screen, bug spray, water bottle
 - Money for meals during travel and snacks during the week
 - Optional: Tools (contact us if you have questions)
 - Optional: Games or cards for afternoon free time

Please be sure to only pack modest/appropriate attire for work sites, rec time, and sleeping. Your leaders or a member of the SnL team will kindly ask you to change if we feel your attire is in any way a distraction to you or others as we seek to connect with Jesus and serve the community.

SnL merchandise will be available for purchase.

We will also be taking an offering at the end of the week that will be given to help families in need - this is a free-will offering, not an obligation.
