ABOUT THE COMMUNITY

This mission began in 2015 as a response to God's call to serve closer to home, give local students the opportunity to do the same, and to provide an urban mission experience for groups near and far! Poverty, hopelessness, and past corruption are realities contributing to crime and drug/alcohol abuse; but local police and organizations are hard at work meeting needs, and they are seeing tangible change! Positive events, programs, public artwork, and community gardens are among the many exciting things happening to bring life and light to Harrisburg! Those who live and serve in the community year-round know best what the needs are and how to meet them. God is at work through them, and we get to be a part of it!

ADDITIONAL INFORMATION

- **Cost/Deadlines:** The cost for this mission is \$240/person which includes lodging, meals (except during travel), and materials/supplies for our work projects. If you register before January 15, a non-refundable deposit of \$25/person is due at the time of registration, followed by an additional \$100/person due by January 15. If you register after January 15, \$125/person is due at the time of registration. In both cases, the remainder of the registration fee is due by May 1st.
- **Adult leader to student ratio:** Having 1 leader for every 7 students ensures each crew has adequate leadership and transportation as we serve throughout the city. Each crew will also have a Salt 'n Light team member to help lead the group.
- **Lodging:** We will be staying at Camp Hill United Methodist Church, 417 S. 22nd St., Camp Hill, PA 17011. In case of emergency, the number there is 717-737-5631 or you can contact Jess Feldmann at 717-324-9376. There are numerous classrooms throughout the building that will be designated as sleeping quarters separated by gender. Air mattresses or sleeping pads are highly recommended for everyone. Showers will be taken at the church in the afternoons following each work day.
- **Transportation:** Groups are responsible for their own transportation and gas expenses to and from the mission. In addition, we depend on leaders to help drive crews to and from worksites, as well as to and from any activities away from the church throughout the week. Each group must have enough vehicles available for use throughout the week to transport the number of students attending from your group. Having multiple vehicles instead of one large bus/van is encouraged.
- **Church Support:** If your congregation is interested in ways to partner with your mission group, first give them opportunities to support your students financially! Many groups do this through fundraisers or support letters. If they'd like to partner further, we greatly appreciate any meals donated or funds collected to help cover our meals. One dinner for the entire mission group costs between \$300-\$400, and any meals or finances donated for meals gives us the opportunity to extend our mission projects in the community.
- **Things to Bring:**
 - Work clothes, closed-toe shoes, work gloves
 - Casual clothing for evening gatherings
 - Pillow, sleeping bag/blanket, air mattress/cot
 - Towel, personal toiletries
 - Bible, notebook, pen
 - Sun screen, bug spray, water bottle
 - Money for meals during travel and snacks during the week

- When a need arises, we take an offering at the end of the week to be given to help families and/or organizations in need - this is a free-will offering, not an obligation.
